

CERTIFICATE OF

Data Erasure & Destruction

THIS CERTIFICATE IS ISSUED TO:

IT Ewaste Solutions

L11 65 York St, Sydney NSW 2000

eWaste Sydney (IT Ewaste Solutions) confirms that all data stored on the devices and media listed in this certificate were securely erased or destroyed in accordance with our certified processes. No copies of the data, whether in whole or in part, were retained, copied, or used for any other purpose.

All functional data containing media were erased using Blancco Drive Eraser, a certified data erasure solution compliant with ISO 27001 Information Security Management System standards. The erasure methods used meet or exceed NIST 800-88 and/or DoD 5220.22-M standards, and are fully aligned with the Australian Government Information Security Manual (ISM).

Non-functional or unverified media were destroyed through degaussing and/or certified physical destruction, ensuring all data are permanently unrecoverable.

To maintain chain of custody integrity, all transport vehicles were equipped with three channel CCTV cameras and GPS tracking, ensuring the secure, monitored, and traceable movement of all assets from collection to processing at our facility.
